**Subject:** Formal Complaint of Perjury against Troop "F" Trooper John Nelson (and subornation of perjury and obstruction of justice by others within LSP jurisdiction)

**Date:** Thu, Feb 5, 2015 2:36 pm

Ms. Fogleman: Please advise Colonel Edmondson of the following: Sir: You may wonder where the "evidence" of perjury is, since I did not submit any deposition transcript to you along with my Formal Complaint. Well, procuring even the NAME of the Court Reporter has been rendered IMPOSSIBLE by two individuals ("persons of interest") who I aver aided and abetted Nelson's perjury. These two people are: (1) Fred McGaha, an Assistant District Attorney for Ouachita Parish, whose contact details are: Special Counsel (for the Louisiana Attorney Disciplinary Board), 400 St. John Street, Monroe, La. 71201, telephone: (318) 388-4566, and (2) Jennifer Stewart, Deputy Administrator (for the Louisiana Attorney Disciplinary Board), 2800 Veterans Memorial Blvd. Suite 310, Metairie, La. 70002, telephone: (504) 834-1488. These two people have REFUSED to give me the name of the Court Reporter who transcribed Nelson's perjured testimony (which I was permitted to "listen to", without saying anything) on January 21, 2015. When YOU obtain the deposition transcript, I will go over it word-by-word, line-by-line, to identify for you where the perjury was committed, and how I know this to be true. The refusal of these two "public servants" to provide me even the name of the Court Reporter, so that I can order a copy of the deposition transcript, at my expense, is indicative of the cover-up, obfuscation and obstruction of justice I have experienced since the "criminal gangland-style hit" was ordered and executed on me at my home at 6034 St. Charles Avenue, NOLA 70118 at 5 minutes past midnight on September 20, 2005. When you obtain the deposition transcript, please have a copy made for me, at my expense, and contact me so we can schedule a meeting during which I can identify the perjury committed by Nelson. Thank you, Ashton O'Dwyer, 1205 St. Charles Ave., NOLA 70130, telephone: (504) 812-9185.
