Ms. Fogleman: This is for the attention of Colonel Edmonson and Lt. Col. Dupuy. Sirs: This acknowledges receipt of Lt. Col. Dupuy's missive of 2/11/15 (not received by me until yesterday, 2/19/15, by U.S. Mail). The two of you must be living on a different planet from me. How else can one even attempt to explain how you could have referred to the CRIMINAL McGaha "to determine if perjury has been committed and the appropriate action"? Did you not READ my E-mail to the Colonel (through Ms. Fogleman) of 2/05/15 @ 2:36 P.M. in which I identified McGaha as one of two "persons of interest" who "aided and abetted" Nelson's perjury? And you want McGaha to investigate and determine if perjury was committed? Are you out of your minds? Since no legitimate "law enforcement officer" faithfully discharging his oath of office could have caused Lt. Col. Dupuy to write me as described on 2/11/15 could have been so INCOMPETENT and NEGLIGENT, I have to conclude that something much more SINISTER is at work here. Accordingly, I am asking that the two of you step aside, and refer this matter to your "law enforcement partner", the Federal Bureau of Investigation, for investigation and determination of whether perjury was committed by Nelson, whether his perjury was suborned, how my civil rights have been violated. time and time again, by the State of Louisiana (through the Louisiana Department of Public safety and Corrections), and whether there still exists a conspiracy to obstruct justice in matters involving me. In support of my allegations of criminal conduct against McGaha, I will be sending you, under separate cover, a document entitled: "The Motion (and Incorporated Memorandum) of Complainant Ashton R. O'Dwyer, Jr. to Disqualify and Recuse 'Special Counsel' Fred McGaha on Grounds of Criminal Conduct (Subornation of Perjury), etc.", which was filed in Docket No. 13-PDB-122 before the CORRUPT Louisiana Attorney Disciplinary Board on May 28, 2015. What I predicted in that Motion would occur, in terms of perjury by Nelson and subornation of same by McGaha, actually came "true" on January 21, 2015, when Nelson testified at deposition. Please advise whether you will step aside and refer this matter to the FBI. Thank you. Ashton O'Dwyer
