# PART C: EXPLANATION OF YOUR COMPLAINT

State in detail why you think this attorney has done something improper or has failed to do something which this attorney should have done. Include the names and addresses of all persons who know something about your grievance. Attach copies of court papers, cancelled checks or receipts showing payments of attorney's fee, and other documents relevant to your grievance. Attach additional 8 1/2" x 11" sheets of paper if you need more space for your explanation.

| Ms. Sylvester repeatedly emphasized the importance of the date October 5, 2017 as being the deadline   |
|--|
| for me to file the litigation to avoid prescription problems. I am providing with this complaint a print out   |
| of a screen-shot wherein Ms. Sylvester stated the deadline for filling a lawsuit. I am also providing a  |
| copy of a draft of the litigation Ms. Sylvester drafted with the intent of suing GOHSEP. Nevertheless,   |
| for reasons unknown to me, Ms. Sylvester opted not to file the litigation. The only explanation I have for   |
| why she did not is that I have her recorded in expressing a reluctance to go up against Kelly Fontenot,  |
| who is the Business Compliance and Fraud Analyst at the Calcasieu Parish Police Jury; Rusty Stutes.  |
| who serves as legal counsel for Gravity Drainage District 8 of Ward 1 of Calcasieu Parish; and "crooker  |
| judges" serving in 14th JDC (presumably to include Judge David Ritchie since he is the specific judge  |
| who would have heard Ms. Sylvester's oral arguments). I am enclosing an audio of Ms. Sylvester's   |
|  |
| commentary in that regard, which was recorded on October 4, 2018. Because I was sensing Ms.  |
| Sylvester's timidity, I hired another attorney, William Most, in September of 2018. I made it clear to   |
| both attorneys what their roles were to be, and I sought for Most to be the "buildog" attorney (given  |
| Sylvester's timidity) who would not be influenced by local political considerations, to serve as   |
| co-counsel with Sylvester's role being to continue forward with having the restraining order lifted and  |
| reinforce for Most's efforts after any GOHSEP litigation was filed. That fact notwithstanding, my mere   |
| prodding of Ms. Sylvester to be more agressive prompted her to refer to my requests that she do so, as   |
| evidenced by the audio file supplied with this complaint, as "bull s" Furthermore, against my wishes,  |
| during that same phone call of October 4, 2018, Ms. Sylvester informed me that she was withdrawing   |
| from any representation of me at all. She stated: "I guit." Furthermore, Mr. Most informed me that Ms.   |
| Sylvester flat-out let my cause of action against GOHSEP prescribe when she failed to act in October of  |
| All Agreement and the state of action addition and the late of the state of action and the state of action action and the state of action and the state of action and the state of action acti |
