Dear Kendra Bazile:

Thank you for visiting the City of Baton Rouge Public Records Center. Your request has been received and is being processed in accordance with Louisiana Public Records Law. Your request was received in this office on 12/16/2024 and assigned the reference number C006288-121624 for tracking purposes.

Records Requested: Records request for EMS CAD/Incident Reports for 911 calls associated with Jordan Whitley's cell phone# [REDACTED] on 1/26/24. There were two calls placed to 911 from that number on 1/26/24. I am requesting the CAD report for each one.

Your request will be routed to all relevant department(s) to research our agency database for the records responsive to your request. Please note that the City of Baton Rouge will avail itself of any provision of law which either exempts or prohibits production of documents pursuant to state law and the Louisiana Constitution. Once the research has been concluded, our agency will notify you via email regarding the availability of the requested records and the status of your request.

Monitoring the progress of your request is available by clicking on My Request Center on the left-hand side of the screen. Again, thank you for using the City of Baton Rouge Public Records Center.

PLEASE NOTE: Louisiana Public Records Law does not require a governmental body to create a new document in response to a request for public records.

Dear Kendra Bazile:

Thank you for visiting the City of Baton Rouge Public Records Center. Your request has been received and is being processed in accordance with Louisiana Public Records Law. Your request was received in this office on 12/16/2024 and assigned the reference number C006287-121624 for tracking purposes.

Records Requested: On 8/28/24, I was informed by EMS Assistant Director Michael Weileman that the department's investigation into the emergency response to the fatal accident of my son, Jordan Whitley, had been completed. Therefore, I am requesting any/all EBRP EMS investigative documentation/findings related to this incident. The correspondence from EMS Headquarters clearly indicates that there were findings that resulted from this investigation. I am requesting said findings.

Your request will be routed to all relevant department(s) to research our agency database for the records responsive to your request. Please note that the City of Baton Rouge will avail itself of any provision of law which either exempts or prohibits production of documents pursuant to state law and the Louisiana Constitution. Once the research has been concluded, our agency will notify you via email regarding the availability of the requested records and the status of your request.

Monitoring the progress of your request is available by clicking on My Request Center on the left-hand side of the screen. Again, thank you for using the City of Baton Rouge Public Records Center.

PLEASE NOTE: Louisiana Public Records Law does not require a governmental body to create a new document in response to a request for public records.
