

BILLY BROUSSARD

NUMBER 92077 DOCKET:

16TH JUDICIAL DISTRICT COURT

VERSUS

PARISH OF ST MARTIN

MENDY GIROUARD, MELISSA DUBROC

STATE OF LOUISIANA

PETITION FOR DAMAGES FOR DEFAMATION OF CHARACTER

NOW UNTO COURT comes Petitioner, Billy Broussard, in proper person, who files this Petition for Damages for Defamation of Character, and who, with respect to same, does hereby allege, espouse, attest, and state as follows, to wit:

1.

That he is a person of the full age of majority and resides in the Parish of St. Martin, State of Louisiana.

2.

Made Defendants herein are Mendy Girouard, a person of the age of majority who resides in the Parish of St. Martin, State of Louisiana and Melissa Dubroc, a person of the age of majority who resides in the Parish of St. Martin, State of Louisiana.

3.

On or about September 14, 2021, Petitioner, on advice of his then-counsel, Michael Adley, agreed to postpone a Court Hearing in the matter of St. Martin Parish Government v. Billy Broussard et. al. (Docket # 90803 in 16th JDC which has since been renumbered to Docket # 90803 Z and Docket # 91813).

4.

The Court Hearing referenced in Paragraph 3 above entailed the Parish's efforts to convert a Temporary Restraining Order blocking Petitioner from hauling in vegetative materials onto his 33-acre property on Duchamp Road, a practice in which he had routinely engaged at that same location without incident for a year (from Petitioner's September, 2020 acquisition of the property) into a Preliminary Injunction.

5.

St. Martin Parish President Chester Cedars and the Parish's legal counsel, Lee Durio, contacted Petitioner's then-attorney, Michael Adley, the day before the Court Hearing and indicated that the Parish desired to call off the Court Hearing.

Simultaneously, Durio proposed an agreement to Adley wherein Cedars provided his assurance that, if Petitioner would merely go through the “process” of obtaining a “zoning variance,” the Parish would agree to permit Petitioner to resume all hauling and dumping activities which had been halted by the Temporary Restraining Order, which would be permitted to simply dissolve, while Petitioner went through this “process.”

6.

Both parties, the Parish and Petitioner, mutually agreed to the proposal Durio presented in Paragraph 5; furthermore, they did so in writing. It became apparent to Petitioner within days of that agreement being finalized that his prior legal counsel, Michael Adley, made a serious misjudgment in believing that Cedars would in any way act in good faith regarding his own proposal referenced in Paragraph 5.

7.

Cedars made the proposal outlined in Paragraph 5 only because of the fact that the Pre-Trial Memorandum submitted by Petitioner’s former counsel, Michael Adley, would have resulted in a very humiliating defeat to Cedars had he not devised a way to “buy time” to keep from losing the entire case on September 14, 2021. Adley’s Pre-Trial Memorandum is summarized as itemized below:

A. SMPG failed to keep a copy of its zoning maps on file with the St. Martin Parish Clerk of Court, thus rendering any zoning ordinances unenforceable. Adley further asserted that Cedars has been aware of and acknowledged this “fatal flaw” since as far back as 2012.

B. Prior sworn testimony by Parish Attorney Allan “Sprinky” Durand in which he point-blank stated under oath that, beyond 500 feet from the road, the Parish, “has no zoning.” Petitioner’s vegetative materials, which Petitioner uses to gradually fill several very deep canyons on his property, are all located far more than 500 feet from the road.

C. A Parish Ordinance which Cedars sought approval for and obtained passage of by the Council and which was immediately deployed days after it passed on August 3, 2021 to support and, in Cedars’ mind, fully authorize the filing of the Parish’s Temporary Restraining Order against Petitioner, violated the “Dormant Commerce Clause,” was written, “to specifically target Petitioner,” and was, “far too vague” to survive a Constitutionality challenge.

8.

Within hours of Parish President Cedars successfully buying time to eliminate the potential for him to be humiliated in Court (similarly to the way Adley had already

humiliated him with the same arguments in Champagne Boats litigation), Cedars immediately embarked upon a campaign to cultivate a “mob” to oppose the zoning variance, which Adley placed in writing to Cedars was, “nothing more than an attempt to compromise” with Adley remaining steadfast that, “the zoning variance is in no way required.”

9.

While Cedars was smart enough to refrain from making public defamatory statements about Petitioner, he was equally shrewd enough to realize that he could strategically deploy certain Parish citizens to feel emboldened by him wherein those citizens would feel a false sense of importance and even bravado. Cedars was also shrewd enough to realize that these apparently gullible citizens whom he would target to oppose Petitioner’s unnecessary zoning variance would, unlike him, be unlikely to possess the necessary legal intellect to refrain from making defamatory statements about Petitioner.

10.

Thus, Cedars executed a masterful plan to sabotage the whole “process” which he managed to convince Adley to embark upon even as Cedars was simultaneously telling Adley and Petitioner that obtaining the zoning variance would be easy, with Parish Director of Administration, Calder “Pop” Hebert, going so far as to tell Petitioner the very day after the Court Hearing had been called off, “We may get some token opposition, but we’ll be able to handle that.” Cedars himself came in to speak with Hebert and Petitioner, and he stated, “Mr. Broussard, I’m really glad we were able to get this all worked out.”

11.

Three of those Parish citizens whom Cedars sought who appear gullible enough to be manipulated by him and who lack the legal intellect Cedars possesses are Defendant Melissa Dubroc, Defendant Mendy “Mob Boss” Girouard, and Louisiana State Trooper Scott Lopez.

12.

Petitioner has already sued Lopez for Defamation (Docket # 91706). Lopez was cited by his employer, Louisiana State Police, for “Conduct Unbecoming of a Louisiana

State Trooper,” when, on January 6, 2022, having felt emboldened by Cedars and demonstrating great bravado, he uttered repeated falsehoods about Petitioner, to include stating that Petitioner had repeatedly engaged in “illegal acts” and falsely conveying to the Parish Planning and Zoning Commission on that date that Petitioner had permitted and charged for a “purple truck” to haul vegetive materials onto his property. The reality is that the owner of that purple truck, Arthur Trahan, who has indicated to Petitioner that he is “good friends” with Lopez, never drove onto Petitioner’s property and, further, that he does not even haul vegetative materials at all.

13.

On October 7, 2021 (only 21 days after the agreement referenced in Paragraph 5), Defendant Melissa Dubroc’s husband, Blake Dubroc, called in a complaint that Petitioner was hauling in vegetative materials and dumping them on his 33-acre property.

14.

Lee Durio’s office was contacted entailing the complaint referenced in Paragraph 13.

15.

Rather than informing Dubroc that Cedars had personally authorized the activity Dubroc complained of, in the narrative section of the St. Martin Parish Sheriff Incident Report (# 21-32034), Deputy Nicholas Olander notated the following:

CONTACT WAS MADE WITH THE LAW OFFICE OF LEE DURIO AND HIS PARALEGAL INFORMED ME THAT THERE IS SOMETHING IN MOTION BUT SHE COULD NOT GO INTO DETAIL AT THIS TIME. SHE FURTHER ADDED THAT DUE TO THIS ONGOING CIVIL ISSUE, DOCUMENT WHAT BLAKE IS REPORTING. IN CASE IT IS NEEDED .

That Incident Report is attached hereto and make a part hereof as Exhibit P-1.

16.

That “something in motion” was an elaborate scheme directly orchestrated by Cedars to deploy citizens lacking Cedars’ legal intellect like Defendant Melissa Dubroc and her husband, Blake Dubroc, to rally up a “mob” to appear before the Parish Planning and Zoning meeting on January 6, 2022 and paint Petitioner out in a horrendously bad light in order that the “process” of obtaining the “request for zoning variance,” which Cedars’ Director of Administration, Calder “Pop” Hebert, had assured would be obtained,

“with us handling any token opposition” would in reality be successfully sabotaged by Cedars and denied.

17.

Defendant Mendy “Mob Boss” Girouard began setting Cedars’ behind-the-scenes smear campaign in full motion when, on October 21, 2021 at 6:50 p.m. (37 days after the agreement in Paragraph 5 and 14 days after the above Sheriff Incident Report), Defendant Girouard, acting in her capacity as one of two Facebook managers for the group “Vieux Jacquet Neighborhood,” posted the following post entailing Petitioner:

Ok peeps I need everyone on board and some help walking the neighborhood. Just found out Billy Broussard is trying to re-zone our area to heavy industrial so he can open this dumping spot for his tree service. The meeting for this will be in December. As soon as I get more info, I will pass it on. But I need people to help me walk door to door and talk with neighbors to GET HIM OUT OF OUR AREA! If you would like to volunteer, PM me!

That Facebook post by Defendant Girouard, along with subsequent defamatory posts made in the immediate aftermath of Girouard’s original post as Manager of the Facebook group, are attached hereto and made a part hereof as Exhibit P-2.

18.

As is apparent on a Facebook post shortly after Defendant Girouard’s post, Joelle Dubroc-Lamperez, the other Manager of the Facebook group and daughter of Defendant Melissa Dubroc, made the following defamatory post to the entirety of the neighborhood having memberships in the group:

“Yes, dumping, drilling, heavy machinery, big trucks, even talk of a slaughterhouse for cattle.”

Joelle Dubroc-Lamperez even referenced Petitioner as a “retard” and a “sissy” on the Facebook post referenced in Exhibit P-2 and further falsely asserted that Petitioner was opposed to her family’s used car lot being operated on the property adjacent to Petitioner’s 33-acre property.

19.

Communications by Petitioner’s former attorney, Michael Adley, to Parish President Cedars warned him that he had obviously alerted these citizens that Cedars was demanding “heavy industrial” zoning without even extending the common courtesy of alerting Adley of that intent by Cedars. Further, Adley alerted Cedars that the Facebook

posts made after Cedars had purported to those citizens that “heavy industrial” would be required were defamatory. Adley further indicated to Cedars that Petitioner would seek only “Ag-2” zoning, which he contended was not even required of Petitioner. Nevertheless, Defendant Mendy “Mob Boss” Girouard continued a relentless defamatory assault against Petitioner. Further, she was quickly joined in her efforts by Defendant Melissa Dubroc.

20.

To that end, Defendant Mendy “Mob Boss” Girouard, began actively working with Louisiana State Police Trooper Scott Lopez and other neighborhood residents to disseminate an on-its-face defamatory flyer entitled “Stop the Dump!” That flyer, which was widely distributed throughout the neighborhood, is attached hereto and made a part hereof as Exhibit P-3.

21.

As referenced on that defamatory flyer, in which Petitioner was falsely accused of seeking to operate a “dump,” a meeting was held on December 16, 2021 at the residence of Defendant Mendy “Mob Boss” Girouard’s parents, at which point Defendant Girouard began organizing a “petition.” Upon information and belief, at least 17 people signed that blatantly defamatory “petition” on the evening of December 16, 2021 at that meeting called and coordinated by Defendant Mendy “Mob Boss” Girouard.

22.

That “petition,” which is attached hereto and made a part hereof as Exhibit P-4, falsely purports that, “Billy Broussard wants to open a waste disposal site in this neighborhood...”

23.

Defendant Mendy “Mob Boss” Girouard, who took great pride in declaring herself the “Boss” of the mob she agreed to assemble at her parents’ home on behalf of Parish President Cedars, presented the “petition” to the Parish Council on March 2, 2022 with the intention of causing Petitioner’s zoning variance request to be denied.

24.

Defendant Mendy “Mob Boss” Girouard was so determined to ensure that she received full credit for disseminating the Petition, for which she openly bragged of

having, “sixty-six signatures, so far,” that she had a custom-made T-shirt with the words “Mob Boss” imprinted on the right sleeve of the shirt as she made her presentation to the Council on March 2, 2022. A photo of Defendant Mendy “Mob Boss” Girouard in that custom-made T-Shirt making her pitch to the Parish Council to deny Petitioner’s variance is attached hereto and made a part hereof as Exhibit P-5. Defendant Mendy “Mob Boss” Girouard succeeded in her defamatory attacks against Petitioner as his request for zoning variance was unanimously defeated moments after Defendant Mendy “Mob Boss” Girouard concluded her presentation in which she handed the Petition to the Council Members for their consideration.

25.

Defendant Melissa Dubroc, who is a notary holding notary license # 058122, notarized this “petition” with her mere hand-written name appearing beneath her signature evidencing notarization, followed by her notary license number.

26.

Melissa Dubroc, apparently concerned that she was notarizing an outright falsehood entailing Petitioner seeking to open a “**waste disposal site**,” used an ink pin to strike through those words and replace those words with “hauling any debris.”

27.

Defendant Melissa Dubroc made no notation of when she made that strikethrough; furthermore, she failed to cross out the same wording four lines later where she left in the words “**waste disposal site.**”

28.

Defendant Melissa Dubroc is also in apparent violation of several other Louisiana statutes applicable for notaries to include, but not be limited to, serving as a notary on a document in which she is also a principal (signature of resident # 16) together with direct members of her household and relatives: Joelle Dubroc-Lamperez (signatory # 27), Blake Dubroc (signatory # 26), Gil Lamperez (son-in-law, signatory # 28).

29.

Defendant Melissa Dubroc is in further apparent violation of another Louisiana notary statute in that she failed to witness a significant number of the signatories on the

“petition” as is required to notarize a document and as is the primary function of a notary’s duties in notarizing any document.

30.

One signatory who will be called as a witness at trial communicated to Petitioner in writing that, “Yeah, I signed that. They changed it after people signed it. I signed it under the presumption of a dump being opened.” That signatory informed Petitioner that he would have refrained from signing the “petition” had he known what was actually being sought by Petitioner. This deception on the parts of Defendants Mendy “Mob Boss” Girouard and Melissa Dubroc were both intentional and designed to cause a “mob-like setting” at the January 6, 2022 Parish Planning and Zoning meeting, and their devious acts succeeded as the “mob,” led by Defendant Mendy “Mob Boss” Girouard, was hostile toward Petitioner and his then-attorney, Michael Adley, throughout the meeting. This was so much the case that the St. Martin Parish Sheriff Deputy serving as security for the meeting insisted upon escorting Petitioner, Petitioner’s then-Attorney, Michael Adley, and *Sound Off Louisiana* founder Robert Burns to their vehicles, with that Deputy volunteering, “You don’t know what you’re dealing with in these people!”

31.

The St. Martin Parish District Attorney’s Office is presently investigating Defendant Melissa Dubroc’s apparent violations of Louisiana notary statutes outlined above.

32.

After first stressing the fact that, “On Tuesday, we went to Court with Mr. Cedars,” and as captured on body cam video of St. Martin Parish Deputy Mathiew Alexander upon a callout to Defendant Mendy “Mob Boss” Girouard’s residence on May 5, 2022 in which she sought criminal trespass charges for Petitioner having an empty truck parked on his own property, Defendant Mendy “Mob Boss” Girouard made numerous false and defamatory statements entailing Petitioner, to wit:

- A) “Judge de Mahy has signed a permanent injunction for him (Broussard) not to have the dump truck on the property. Period.” *[Judge de Mahy signed nothing until May 25, 2022 – a full 20 days after “Mob Boss” says she signed a “permanent injunction;” -- furthermore, what Judge de Mahy signed was a preliminary injunction. Additionally, that judgment does not prohibit Petitioner’s*

truck from being on the property as long as it contains no vegetative materials].

- B) *“I was in the courtroom, and the Judge said the dump truck cannot be on the property whatsoever.” [“Mob Boss” point-blank lied to the Sheriff Deputy as she was **NOT** in the courtroom when the Judge rendered her ruling because “Mob Boss” left less than an hour into the 6-1/2 hour hearing! Furthermore, “Mob Boss” totally misquotes the Judge on what she rendered in her oral ruling.]*
- C) *“I talked to Mr. Cedars that afternoon (Tuesday, May 2, 2022), and he said, ‘anytime anyone sees the dump truck there, we’re supposed to call and make a complaint.’” [Petitioner has no reason to doubt this particular statement but will merely stress how Cedars has masterminded this whole “crusade” to “harass” (words of Petitioner’s former attorney, Michael Adley), and how easily he can manipulate citizens like “Mob Boss” who lack his legal intellect into following his directions and leave the heavy lifting of defaming Petitioner to those citizens lacking his level of legal knowledge to commit.]*
- D) *“The truck was empty, full, empty again.” [This is a total falsehood as Petitioner has never had any vegetative materials on a truck since Judge de Mahy issued her oral ruling on May 2, 2022 or, for that matter, after the Parish obtained a second Temporary Restraining Order on or around March 5, 2022.]*
- E) *“Mr. Cedars said he’ll get two copies of the injunction....One for his own ‘nuisance file’ and one for you, that way you guys knew (sic) when you do get complaints.” [This statement too may be true, but Petitioner will simply state that Cedars, through Parish Attorney Allan Durand, has denied in writing that the Parish even maintains such a “nuisance file” on Petitioner notwithstanding the fact that Sound Off Louisiana founder Robert Burns videotaped Cedars on August 3, 2021 holding up a large stack of documents claiming those documents constituted, “our nuisance file on Mr. Broussard.” Cedars’ contradictory statements have been published on Sound Off Louisiana to include a video clip of Cedars holding the file up and bragging about it and Defendant Girouard’s statement to Deputy Alexander.]*
- F) *“Now I do understand that he is supposed to have a warrant out for him.....supposed to be signed this morning...for aggravated assault and obstruction of a roadway.” [Completely false and a further demonstration that “Mob Boss” was apparently in regular communication with Louisiana State Trooper Scott Lopez, who apparently falsely told “Mob Boss” of any such warrant for Petitioner’s arrest for “aggravated assault” notwithstanding the fact that St. Martin Parish Deputy Baily Romero did state to Petitioner that Lopez was seeking “simple assault” charges against Petitioner. There was zero basis for any such charge, however, and the St. Martin Parish Sheriff’s Office responded to a public records request for any documentation of any investigation into any “simple assault” investigation against Petitioner by stating: “No records exist*

responsive to your request.]

G) "He (Petitioner) got out in the middle of the street and was threatening to harm somebody....for taking pictures of him." [*"Mob Boss" laughs as she is telling Deputy Alexander this falsehood almost as if to implicitly indicate that she and/or Lopez will just make anything up as they go along much like Lopez did entailing the "purple truck."*]

H) "I mean he literally ran my neighbor off the road on his motorcycle last week....Oh, yeah, it's getting ugly." [*Completely false!*]

33.

Cedars knew to choose Defendant Dubroc to facilitate his "crusade" to "harass" Petitioner (again, Michael Adley's words) because he knew that the Dubrocs: A) Previously owned Petitioner's property as it is located adjacent to their used car lot; B) that the previous owner of the property died on April 24, 2014; C) that the Dubrocs had an individual approach the two daughters of the previous owner before his funeral service seeking to acquire the property from them; D) that, when they apparently didn't respond fast enough for Defendant Dubroc and her husband's liking, they sued the Deep South Forest Products, Inc. (the legal entity owning the property) on May 16, 2014 (a mere 22 days after the owner died) asserting "erosion issues," (Docket # 81472); and E) that Defendant Dubroc lost that litigation not because there was no erosion issue (the Court acknowledged that there was) but because any claim for seeking relief was filed after the 10-year prescription period.

34.

Ironically, Petitioner had made great strides in alleviating the very erosion issues referenced in Paragraph 33 up to and including the date of the signing of the Temporary Restraining Order in August of 2021.

35.

Defendant Dubroc has been willing to defame Petitioner in acting as an agent for Parish President Cedars and even go so far as to engage in apparent illegal notary acts in an effort to have Parish taxpayer funds utilized to fight a legal battle against Petitioner in order that Defendant Dubroc may ultimately serve as the "buyer of last resort" by working in concert with Cedars to rack up significant legal fees assessed against

Petitioner, which such legal fees have been very extensive. Furthermore, in a callout to the St. Martin Parish Sheriff's office of March 4, 2022, Defendant Dubroc's husband, Blake, stated to Deputy Baily Romero that, upon Cedars getting the second Temporary Restraining Order signed, "then Mr. Broussard will not be able to go onto his own property and, if he does, he's going straight to jail!"

36.

Ironically, on or about nine (9) days prior to the full Council's consideration of Petitioner's request for zoning variance, the Parish sought Petitioner's consent to dump its own debris onto Petitioner's property.

37.

Petitioner granted the Parish such consent, and the Parish commenced with hauling fourteen (14) full loads of debris onto Petitioner's property. All of these loads were photographed by Petitioner's on-site video surveillance cameras.

38.

Incredibly, while Petitioner had strictly hauled only tree limbs and trunks, the Parish hauled in ditch mud which also contained extensive other debris to include items like used oil filters and a tailgate.

39.

Petitioner had to remove all of these clearly impermissible items dumped by the Parish onto Petitioner's property and haul them off to the dump at his own expense.

40.

Neither Defendant Mendy "Mob Boss" Girouard nor Defendant Melissa Dubroc registered any complaint with Parish officials as they hauled in these 14 loads of sludge debris.

41.

As a result of the defamatory acts of Defendants, Petitioner has incurred significant harm to his business reputation and, more importantly, by their extensive efforts to create a "mob-like" atmosphere on January 6, 2022 and thereby cause Petitioner's request for variance to be denied through false and fraudulent materials presented to the Council, Defendants have cost Petitioner an estimated \$200,000 in jobs

for which Petitioner was forced to increase his bid as a result of Defendants' actions, thus causing Petitioner to lose out on those bids.

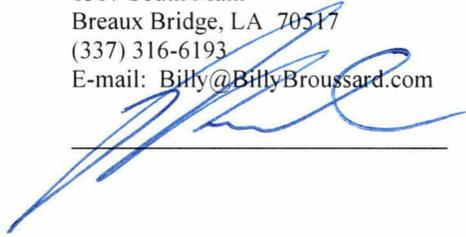

42.

Petitioner is entitled to and does in fact seek a trial by jury since the amount in controversy exceeds \$10,000.

WHEREFORE, petitioner, BILLY BROUSSARD, prays that Defendants, MENDY GIROUARD and MELISSA DUBROC be duly served with a copy of this petition, and cited to appear and answer same and, after all legal delays and due proceedings had, there be a judgment herein in favor of petitioner, BILLY BROUSSARD, and against defendants, MENDY GIROUARD and MELISSA DUBROC awarding him all damages for the prosecution of this action, including costs associated with the action and for any and all other relief, legal or equitable, which may be available under the premise of this cause.

Respectfully Submitted,
