b. The facts and circumstances of this abuse are as follows:

The most recent incident of abuse which caused petitioner to file this petition happened on or about

10/2/2019

(month/day/year), at which time the defendant did:

Michael Satcher and I had a phone conversation that morning about attending my youngest child's soccer game. Michael wanted me to wait on him to go to the game which would have made me late to the game. I did not want to be late so I told him to just meet me at the soccer field. He became angry that I would not meet him

at my house (verbally angry). I told him that I would talk to him after the game, then hung up. He called me back - I answered but I told him I did not want to talk, that I would call him after the game. I then hung up again. He tried to call me back several times but I rejected the calls. I parked at the soccer fields, began walking toward the fields when Michael ran up toward me. I told him to leave, that I would talk to him after the game. For safety reasons, I walked to a group of people that I knew. I was fearful that Michael would try to grab me & force me away from the soccer fields. He stayed at the fields another 10 minutes then came over to me, pulled me to him really tight & started to say something in my @ ears (to be continued on separate sheet)

Past incidents: Michael & I began dating March of 2018 right after he & his wife separated. In the course of our dating, Michael was violent toward me 10-15 times. The most memorable, most vivid moments are as follows: July 2018 - La. State Troopers Assoc. Convention cruise hosted by Troop E. Night one, Michael became angry about a conversation I was having that he overheard between myself & another trooper. He said he was going back to the room - I followed (to be cont. on separate sheet)

- most recent incident continued -

(Continued) - I told him to get his hands off of me & to leave. He left. While watching Maci's game, he sent 8 different text messages that I did not respond to. After the soccer game, I left to get a pedicure @ VIP Nails on 28 W. While there, I turned my location services off so Michael could not locate me.

I left the nail place & headed back home where Michael said he would be so he could get his things from my house. Michael was not at my house when I arrived. I called him @ 12:52 to let him know I was home & that I would bring his things to him & that I would like to retrieve my things from his house. I brought his son's tennis shoes, his kids' birthday money, his contact case & solution & his house key @ ~ 2:30 pm (126 Robinson Rd., Alex., LA.). He allowed me to retrieve my things from his house. I returned his things to him. As I began walking outside to my car, Michael got angry that I was leaving. He tried to prevent me from leaving by standing in my open driver's door (not allowing me to close it) then pulled my keys out of the ignition & threw them in a nearby field of tall grass. He walked off, I was able to close my door & locked the doors as I was scared he would then get physical. I then called my sister to come & get me. She agreed to come & get me from Michael's house.

Michael walked back in his house. I got out of my car to search for my keys. He then came back outside & hollered at me, "Hey stupid, if you had watched where I threw them, you would know they're not over there." For fear he would get physical (due to past situations & his current anger), I got back in my car & locked the doors. He then located my keys. He walked over to my car, threw my 2 house keys on top of my car & threw my ring of keys on my front hood. I waited for him to go back into his house before getting out of my car to retrieve my keys. I then backed out of his driveway, & called my sister to let her know

she could return home. I then drove to Planet Fitness, worked out then stopped @ Chili's for chips & salsa then drove to my house. I began watching Grey's Anatomy on my Tivo. My sister texted me at 5:31pm asking if everything was okay. At that time, I had Michael's phone number blocked & everything was quiet although I did expect to hear from him as a result of previous episodes & his normal reactions /

behaviors when angry. He was angry when I left his house due to my ending the relationship.

I told my sister I was okay then went back to watching my TV show. I sat there with my phone & keys, ready in case Michael showed up at my house. Shortly thereafter, I saw Michael walking through my back pool gate into my back patio area. I immediately jumped up & went into the kitchen where he could not see me.

He began knocking on my garage door & hollering that he wanted his things back. He then pressed so hard on the garage door with his upper body that I heard a crack and thought the door had opened. (All exterior doors were definitely locked - I checked them all prior to sitting down to watch TV) I then went

around to the garage door to tell him to leave. From the time he arrived, the video camera on my cell phone was recording. I ask him several times to leave while recording him. Looking at him, he

appears angry & I am fearful in that moment that he will do harm to me. I ~~walked out of~~^(OLC) then watched as he forced his way into my master bedroom by using his upper body. I walked out of my living room door & told Michael he needed to leave - cell phone still recording. He then grabbed me in a tight bear hug making me feel like I could not breathe. I dropped my cell phone at that time due to him grabbing me forcefully. I could smell liquor

on his breath. I was crying, yelling for him to stop & let go, PLEADING desperately with him to stop. We fell onto a zero-gravity chair on my back patio then both rolled to the ground where my head hit the pavement. I was able to get out from under him & stand up, went to grab my phone off the ground but he got to it first. After asking for my phone several times, he finally gave it back to me. At this time, I still had my key ring around my 4th ring finger (L). After getting my phone back, I ran out of the gate by my pool & ran around to the side of my house. He chased me, grabbed me again from behind in a tight bear hug making me feel like I could not breathe. I am still crying & screaming trying to alert my neighbors. He pulled me around the back of the house. I was able to get to the garage door to open it & ran through the garage area. He grabbed me again from behind but I fell to the ground trying to prevent him from grabbing me again in a bear hug. He then proceeds to pick me up, & squeezes me so tight around my mid-section that I void myself. He carries me to the master bedroom. As he is carrying me, he tells me that I'm fat & heavy & that I need to quit eating because I've gained weight. He carries me into the master bedroom, puts me on the floor, straddles me by sitting on top of me & tells me he can do whatever he wants to me. He puts his fingers in my vaginal area, poking at my vagina with his fingers (my pants are on). He starts pulling on my pants as though he's going to pull them down all the while he is calling me a slut, whore, cunt. I hold onto my pants & am able to get up/break free. He grabs me again around from behind & puts his

arm across my neck area making it difficult for me to breathe. He then grabs me & puts me on my bed then pins me down on the bed by using his arm across my chest area. At this time, I am in fear of my life as he is now holding his hand over my nose & mouth to prevent me from screaming, restricting my air flow. He removes his hand & I told him, "Michael Stop! Please! Think about my 5 kids! They need me!" He put his hand back over my mouth area; I began to panic, kicking at him, trying to pull his hand from my mouth. He then lets go but starts trying to take my keys from me. I made a tight fist but he was able to wrestle the keys from me, causing scrapes to my (L) 4th finger. Mike then walked out to my barn. I then ran to the kitchen, grabbed the spare key to my car, got in my car, & locked the door. Michael came back from the barn with a hammer & he walked back to the master bedroom to repair the broken door frame. I sit in my car with my cell phone recording his behaviors. The master bedroom door was split in half from him forcing his way in. He came in & out of the master bedroom several times. Michael also walked into the garage area & the basketball goal area in front of the garage. Lots of bizarre behavior recorded with my cell phone. He would come to my driver's window then go to my passenger window then walk away then come back. Several times, Michael is asked to leave when at my driver's window. While at the windows he would say things like: "Let's work this out. We can fix this. Can you give me a hug. Let's go sit on the swing & talk. I thought I

Was doing everything right. Why am I not enough?
God, why are you doing this to me?" He also walks
around, throwing his hands up in the air like he is
praying to God. He drops down to his knees several
times and throws his hands up in the air - he is
hollering out but I am unable to hear what he's
saying some of the time. He shoots the basketball a few
times, hangs from the basketball goal, picks leaves
off the trees, sits on the ground & pulls blades of
grass up from the ground. This goes on for quite
some time (230 minutes). During all of this, while
I'm in my car, I call my 18 year old ^{6:12pm} Dylan - we
talk for just a little bit. He calls me back at
6:22pm, asks if I'm okay. I tell him I'm okay
because I don't want him to worry. Shortly
thereafter, Dylan arrives at home. Dylan walks
out into the back patio area. Once Mike sees Dylan
is home, he gets in his unmarked state police
vehicle intoxicated & begins backing out of my
driveway. He then backs into my mailbox - mailbox
is metal on a wooden stand with a wooden flower
planter box at the bottom - mailbox is completely
destroyed. He gets out of his vehicle, comes to my
driver's side window & tells me that he accidentally
backed into my mailbox. He walks back to his car.
Dylan is watching him then Dylan walks into the
house through the garage door. I exit my car & walk
in the house behind Dylan. Dylan then walks out of
the front door to make sure Mike is leaving & to grab
his phone from his truck. Mike then starts walking to-
ward the house. He appears angry & I am fearful he
will hurt me again and/or hurt Dylan. Dylan opens
the door for me - I walk in & he walks in behind
me. Mike charges the front door & places his body

in the way so that Dylan cannot shut the front door. Dylan tries to hold the front door but is unable to hold it any longer. The front door is pushed open from Mike trying to force his way in. Dylan reaches out around Mike's waist, pushes him away from the front door, then tackles him to the ground. They roll around on the ground while I'm hollering at them both to stop. Mike says to Dylan, "Do you really want a piece of me?" They then stop. Dylan is able to get inside. I am able to lock the front door. Mike stands at the window next to the front door & I tell him he needs to go, that he needs to leave. He then leaves. Dylan says he is going to call the police. I plead with him not to as I am fearful: He is a state trooper & a sniper - I am scared he will retaliate. Dylan does not call the police. I call my sister to ask her boyfriend to fix my master bedroom door so that it is secure. She & her boyfriend arrive at the house. She sees blood on my shirt & says she's calling the police. I plead & beg with her not to - again, due to fear as I feel he will retaliate and/or that the abuse will escalate. She calls 911 anyway. RPSO arrives on scene, takes the report. An LSP trooper also shows up (Betrand); After the police leave, Dylan & I go to my sister's to spend the night as we do not feel safe.

— Past incidents continued —

(continued) — him back to the room to try to smooth things over (he had never been physical before). Once in the room, he told me he thought the conversation was inappropriate. He then angrily ripped off the shirt he was wearing (he has ripped the shirt off himself many times) — he ripped his shirt in half. He took my phone from me, threw it against the wall — it was no longer functional. He took one of my shirts, ripped it in half. He broke a pair of my sunglasses with his hands, ripped my cross-body purse off of my person breaking the strap, ripped my toiletries bag & pulled the TV / TV stand down off the wall (he called the Carnival maintenance dept. to get this fixed). The next day, he was still angry at me. I was alone in our room & decided to walk to LIDO deck to participate in the St. Jude fundraiser (my daughter is a St. Jude patient / cancer survivor). I was walking by myself in the hallway when I saw him approaching, coming toward me down the hall. He told me he wanted to talk — I explained that we could talk after the fundraiser (he knew the fundraiser was important to me). He told me no, grabbed me around my hips, lifting me into the air, hitting my neck on the ceiling causing my neck to go into an unnatural position which caused my @ arm to go numb temporarily. (For several days after, I was unable to turn my head to the right & had to see a massage therapist for several months after the incident due to limited range of motion). Once he carried me into the room, he threw me on the bed, held his hand over my nose & mouth as I was trying to scream. I was unable to breathe

He then let go & shoved me off the bed onto the floor. Later I had a significant bruise to my @ buttock. Both instances on the ship, Michael was intoxicated. Both episodes caused great fear. However, I did not report the episodes due to him being a state trooper & fear of retaliation. Once back home, Michael's ex-wife Courtney called me saying he was just at her apartment. She told me that he tried to strangle her & had put a gun to ~~her~~^{her} head. In that same conversation, she asked me, "Has he put his hands on you yet?" I did disclose to her the events that occurred on the cruise.

September 2018- Greg Pharis' Retirement Party

I met Michael at the retirement party after my son's football game at ASH. When I arrived, Michael was extremely intoxicated & was angry that I had changed into a dress & heels. He told me that I looked like a whore & that everyone was laughing at me. I told him to "chill" - that word set him off. He took off walking. After awhile, when he did not return, I got in my vehicle to look for him - found him walking on a service road. I pulled up next to him and he began yelling profanities at me, calling me names (video-recorded) - he was able to reach into my vehicle & grab at me, ripping my bra (photo taken). He also punched my car several times, leaving substantial damage to @ front fender (\$1000 to repair damage). I left & drove home. He ended up walking to my house. Said I shouldn't have left him on the side of the road despite him telling me to leave several times.

Sept or Oct 2018- Planet Fitness: Michael & I were @ Planet Fitness working out when he got angry because he thought I was looking at another guy. He angrily left the gym on foot. I got in my car, drove up next to him several times trying to get him in the car. He refused several times. I drove home, packed his things up & left them in his truck. He walked back to my house & was angry at ~~her~~^{me} for packing

his things, angry at me for driving home - told me I shouldn't have left even after he told me to leave several times.

Sept/Oct. 2019 - Buffalo Wild Wings: Michael was angry b/c his ex wife had introduced their kids to her new boyfriend. He told me I wasn't being supportive & called me a slut & a whore. Several witnesses at the table that witnessed his behavior. He grabbed me tightly at the table, saying mean, hurtful things in my ear (insults, profanities, telling me to leave). I left. He called me over & over, back-to-back, angry that I had left even after telling me several times to leave.

November 2018 - Gulf Coast Police Motorcycle Comp - Gonzales LA
At the Harley Davidson dinner, Michael got angry after he saw me talking with another state trooper. He ignored me the rest of night. He was very intoxicated. Since I did not know anyone, I went to sit in my car. He got mad about that - came outside, got next to my car & began hollering at me through the glass (passenger's side); I started my car & that made him more mad. So he jumped on my hood, sliding across the hood. He then proceeded to scream at me some more through the driver's window. I was D.D. for Michael & 2 other officers. I drove everyone back to the hotel. Once in our room, I began packing my things so I could drive back to Alexandria. He got angry, grabbed me in a bear hug, threw me on the bed, laying on me so I couldn't get up. Due to fear, I began screaming & he covered both my nose & mouth with his hand restricting my airflow. He finally got off of me & as I was attempting to leave the hotel room, he grabbed his state issued service weapon saying he would kill himself if I left then put the ^{CC} gun to his head. I told him to stop & put the gun down. I did not feel like he was serious about killing himself but was fearful for my own life, so I drove back to Alexandria. (Michael was severely intoxicated)

December 2018 - LSTA Christmas Party & T. Lawrence Concert
- No incidents at the Christmas party. At concert (at the coliseum), Michael opened his text messages & I happened to glance over & see a boob picture that his ex-wife had sent. He got angry & defensive when I asked him about the picture. I walked out of the concert into the parking lot, he followed me. I attempted to use my phone. He wrestled the phone out of my hand & would not give it back to me. When I tried to get it back, he forcefully

grabbed me from behind around my waist, causing me to void myself. I was fearful of him at this time, told him I was scared. I was crying / yelling. He let me go. I got in my car & went home. He called me over & over, back-to-back & came to my home, knocking on my door repeatedly.

February 2019 - Michael was at my house & we were arguing (cannot recall exactly why) - I told Michael to leave. He was upset with me & did not want to leave. So, before walking outside, he grabbed my phone. He knows I have to have my phone for work. I followed him outside to retrieve my phone. Michael was intoxicated. He was in his State Police Tahoe. I was standing at the driver's door (door was open) asking for my phone. Michael was in the driver's seat. He had the Tahoe in "Reverse" (unknownst to me). He then forcefully punched the gas, causing the Tahoe door to hit me, sending me airborne. I landed several feet away in a muddy spot in my yard. My back slammed into an aluminum boat that was in the yard. (Picture of muddy clothes taken)

MISC - Several other incidents occurred over the course of the time between March 2018 & February 2019, but I am unable to recall specifics. Michael is guilty of Psychological warfare: Name calling, insults, manipulation, Power trips, Control, jealousy.

April 13, 2019 - I end the relationship. Prior to ending the relationship & after ending the relationship, there were many occasions where Michael would stand at my exterior bedroom door & knock continuously and talk continuously @ outside my door and/or call me over & over. Many nights, I he would do this & I would not be able to sleep. None of the instances did I call police due to fear: Michael had told me that no one would believe me, that he wouldn't get in trouble because he's a police officer, that it's his word against mine & that I would go to jail & lose my license (FNP). I also feared retaliation - that calling the police would make him more mad - causing the violence to escalate more / the thought of him killing me has crossed my mind many times.

~ May 15, 2019 - Michael showed up at my house after driving in from out of town (LTPOA) - he woke me up pounding on my

exterior master bedrm. door. He was so drunk that he could not walk straight & was slurring his words. He called me a whore, said he knew that I was talking to several guys. I turned around, went back inside my house & went back to bed. He drove off in his State Police Tahoe intoxicated.

Early June 2019 - Michael promises he'll change, promises to go to church every Sunday & promises to quit drinking. We reconcile.

~ August 2019 - I'm at Michael's house - he gets angry at me over a conversation we're having. I leave his house. On McKerthen Dr., Michael aggressively cuts in front of me in his State issued vehicle & slams on the brakes. He gets out of his vehicle & is screaming profanities at me. A car pulls up behind me. Michael drives off. I turn around & drive to Y Not Stop on Versailles where I realize he has pulled my driver's door handle off. (picture taken)

September 13, 2019 - Michael comes to my office & finds me in my office c̄ a male drug rep. eating lunch, working on an appeal for a patient. He gets angry & leaves my job in his State police vehicle. I try to call him. He accuses me of cheating on him, says I'm having an affair. That night, Michael shows up at my house. He's still very angry. He is extremely intoxicated. I get in my car & try to leave. He is standing next to my vehicle then jumps on my hood. My car is in "drive" but I have the brake depressed. I plead c̄ him over & over to get off my car in fear that he will get physical, try to break the glass, etc. I take my foot off the brake, then as my car begins to roll, I press the brake again & Michael rolls off of my hood onto the ground. I reverse in my vehicle, then drive around him to get away (captured on video).

The majority of all "anger" episodes, Michael was intoxicated. I have several videos captured of different instances when he would stand outside my bedroom door and talk continuously insulting me, calling me names, telling me what a bad person I am.

(9/28/19)
There was also a wedding recently where Michael spoke to one of my friends. Afterwards, she texted me, told me he was unhealthily obsessed with me & seemed like the type of guy who will kill me one day. Told me to get away from him.
