Re: Invoice for Legal Services September through December 2018

Dear Chester:

I have to confess that I was so busy on other things that I neglected to prepare bills for my work for the Parish for September, October and November. As a result, I put all of those together on the December bill, which I hope does not cause any problems for accounting. If it does, please let me know, and I will be glad to send four different bills.

As always, if you or any of the Council have any questions about the attached bill or any of the work that was done, I will be more than happy to meet with anybody at any time and answer any questions which anyone might have.

It has been a genuine pleasure to be of service to the Parish Government this year, and I look forward to providing any services that might be helpful in the future.

Most sincerely yours,

ALLAN L. DURAND
