Subject:	Urging You NOT To Confirm EITHER Jared Caruso-Riecke or Stephen L. Guidry to the Louisiana State Police Commission

Sen. Foil:

I know that you all are extremely busy, so I'm keeping this email short. For reasons outlined in a *Sound Off Louisiana* feature the link for which I am providing shortly, I am joining a huge number of St. Tammany Parish Residents who are making their sentiments known to Sen. Patrick McMath their staunch opposition to the appointment of Jared Riecke to the Louisiana State Police Commission.

I share those sentiments and are expressing them to you, my State Senator, but I also extend the same sentiments entailing Stephen L. Guidry.

Mr. Guidry, upon information and belief, at the direct instruction of the Louisiana State Trooper's Association, changed his voter registration to be in East Baton Rouge Parish from St. Tammany Parish on or around January 5, 2025.

Mr. Guidry changed that voter registration but nevertheless continued to use St. Tammany Parish voter registration for purposes of the Louisiana Motor Vehicle Commission.

Mr. Guidry did so in order to overcome Gov. Landry's selection of him to represent the citizens of the **FIRST** U. S. Congressional District. By Louisiana's Constitution, Gov. Landry would have been limited to choosing Guidry (who he actually wanted) to represent that District.

Instead, by Guidry's act of changing his voter registration to be **allegedly now** representing citizens of the **SIXTH** Congressional District, Gov. Landry obtained the ability to nominate Riecke to the Police Commission for the First District (which is what the LSTA wanted).

In so doing, Gov. Landry made a completely false statement on his nomination letter in stating that, "Dillard University failed to nominate," when, in reality, not only did Dillard nominate, but it nominated **the very person Landry wanted to represent the District, Stephen L. Guidry.**

All of the details are outlined here:

Thank you for taking the time to consider this matter, and I urge you to reject the nominations of both of these two gentlemen to the Louisiana State Police Commission.

Sincerely,
