Re: Independent Investigation Request (July 20, 2016)

Dear Mr. O'Dwyer:

We have reviewed your complaint dated today, July 20, 2016, wherein you requested that an "independent" investigation pursuant to Chapter 16 be initiated to investigate allegations of (1) a violation of his civil rights; (2) perjury by a member of the state police service during a deposition; and (3) conspiracy to obstruct justice by the Superintendent and Assistant Superintendent.

Pursuant to SPC Rule 16.1, "any person may file with the Director or the Commission written charges of a violation by any person of the Article or the Rules." Unfortunately, the alleged conduct is not governed by the Article or the Rules, thus prohibiting an investigation pursuant to Chapter 16.

With kindest professional regards, I am,

Sincerely,

A blue ink signature of Cathy Derbonne.
