Good evening,

Just an industry heads up to anyone who cares about deregulation in our industry and state- tomorrow all 3 bills pertaining to braiding and deregulation of “minor trimming” or using styling tools, etc. will be heard tomorrow. This will happen at 9:30am at the Senate Commerce Committee. See attached agenda. If you want to show any interest in the deregulation that is proposed I am imploring you to show up tomorrow by 9am to the capital in Baton Rouge.

My apologies for the late notice, but as you know these things end up sneaking up. Feel free to connect with me privately via email if you'd like.

Thank you,
Erin Grace
