RE: Letter of Reprimand

Dear Trooper Hollingsworth:

Pursuant to State Police Commission Rules 12.1 and 12.2, you are hereby formally reprimanded for the following:

On February 5, 2009, at approximately 1346 hours, while working a federal overtime detail in Ouachita Parish in your assigned State Police unit, you were involved in a preventable automobile crash. You pulled out of a private drive onto US 80 with your emergency lights activated to stop a driver for failure to wear his seatbelt. You failed to see a vehicle traveling east on US 80 in the left lane and struck the vehicle in the right rear fender. Your actions caused damage to your unit in the amount of \$1,449.12 and minor to moderate damage to the other vehicle.

The investigator found and the Fleet Crash Review Board agreed that you were "At Fault" in the crash.

Your actions were found to be in violation of Procedural Order No. 04-03.02, VEHICLE USAGE LIMITATIONS AND REQUIREMENTS, which states in pertinent part:

Personnel shall drive all Department vehicles with prudence and care, mindful that abuse, misuse, or recklessness reduces the operating efficiency of the Department's fleet.

Any future violations of this or any nature may result in more severe discipline, up to and including termination.
