Re: Lionel James v. Helen Burns, et al  
No. 628,231 Division "D"  
19<sup>th</sup> JDC, Parish of East Baton Rouge  
Our file: 730-2106

Dear Ms. Burns

I am writing to let you know that this matter has been settled by State Farm with the plaintiff, Lionel James. The amount of the settlement is \$48,500. While there were certainly some issues to talk about regarding liability for the matter, Mr. James had over \$30,000 in medical bills and wage loss, and the case was pending before Judge Janice Clark. Due to all those considerations, it was deemed to be appropriate that the matter be resolved.

I will provide you with copies of all the executed paperwork once those are complete. If you need anything from me in the meantime then please don't hesitate to let me know.

Yours truly,

Andrew W. Eversberg
