Danny,

If your schedule changes or someone can sit in your place, we'd love to have you. I received a disturbing email from LSP Lt. Gremillion that he had talk with the AGs office and since there were no statutes to cover our situation, there would be no investigation. I reached out to his Captain and suggested that we have some miscommunication and do have statutes (with precedent)...one of which (the CHC code) was in the DCFS investigation. We will be getting into the weeds on the following:

RS 14:67

RS 14:286

RS 14:230

CHC Chapter 2, Title XII

Then how the following relate to the above:

RS 14:118

RS 14:66

Criminal Solicitation – I don't have a specific RS on that one just yet.

Please find attached the civil petition filed in 19th District Court on Wednesday, April 22.

Thank you again for your help.

Craig

Subject: Meeting on May 1st, 2015

Good Morning,

I have another commitment on that day and therefore will not be available to attend the meeting. However, as previously stated at our initial meeting, I would like to view the final results of the ongoing civil case regarding this matter.

With Best Regards,

Danny
