Subject: Public Records Request :: R024068-022226

Dear Founder/Writer Robert Burns:

Thank you for your interest in public records of Louisiana Department of Public Safety, Public Safety Services. Your request was received in this office on 2/22/2026 and given the reference number R024068-022226 for tracking purposes.

Records Requested: Any investigative report entailing LSP Lt. James Jefferson III to include, but not be limited to his arrest by Baton Rouge City Police on or around February 6, 2025.

Your above referenced public records request has been forwarded to me for consideration and reply. Please be advised that we have begun the process of searching for documents responsive to your above referenced request.

Even though the search is ongoing, and documents of the agency are generally considered public records, the agency will avail itself of any statutory provision which either exempts or prohibits production of documents responsive to your request. These exemptions specifically include, but are not limited to, those contained in La. R.S. 44:3 and La. R.S. 44:4. The agency will also not release information which may be exempt from release due to an individual's rights to privacy.

In accordance with La. R.S. 44:35(A), you are hereby notified that the estimated time reasonably necessary for collection, review, and any necessary redaction of the documents which may be responsive to your request is forty-five (45) days. The calculation of the response time **excludes Saturdays, Sundays, and legal public holidays**. If the public record is located but unavailable, you will be notified and provided reasons for the delay, and a date will be set for the record to be made available.

You can monitor the progress of your request at the link below and you'll receive an email when your request has been completed. Again, thank you for using the Public Records Center.
