How to Check This Notice

Do you recognize the name of each doctor or provider? Check the dates. Did you have an appointment that day?

Did you get the services listed? Do they match those listed on your receipts and bills?

If you already paid the bill, did you pay the right amount? Check the maximum you may be billed. See if the claim was sent to your Medicare supplement insurance (Medigap) plan or other insurer. That plan may pay your share.
